The European Inspired Kitchen

etúHOME was founded on the belief that the utilitarian pieces used to prepare, serve and store food in, matter. Each product we create is rooted in classic European designs and is handcrafted by Hungarian artisans from sustainably-sourced materials in order to be truly authentic. We capture the spirit of the quintessential European lifestyle by transforming its utilitarian objects into treasured accents for the modern home.

Why Choose etúHOME?

-  Sustainably-Sourced Wood
-  Recycled Glass
-  Artisan-Crafted
-  Time-Honored
-  Food-Safe
