# Wood Utensil Program

Crafted from sustainably-sourced wood, etúHOME's array of wood utensils are must-have kitchen accessories for home chefs and designers alike. The program features everyday tools for baking, meal prep and serving.

Keeping our stores and partners in mind, we've created a turnkey program that enables easy in-store merchandising. Each utensil layers perfectly in our clear 3L Mason Jars and comes with a corresponding belly band for merchandising.

Store signage is provided to our wholesale customers to streamline the merchandising process and showcase your etúHOME products with professional, styled photography.
