# etúHOME

The European Inspired Kitchen

etúHOME was founded on the belief that the utilitarian pieces used to prepare, serve and store food in, matter. Each product we create is rooted in classic European designs and is handcrafted by Hungarian artisans from sustainably-sourced materials in order to be truly authentic. We capture the spirit of the quintessential European lifestyle by transforming its utilitarian objects into treasured accents for the modern home.

## Why Choose etúHOME?

Sustainably-Sourced Wood

Recycled Glass

Artisan-Crafted

Food-Safe

# Wood Utensil Program

Crafted from sustainably-sourced wood, etúHOME's array of wood utensils are must-have kitchen accessories for home chefs and designers alike. The program features everyday tools for baking, meal prep and serving.

Keeping our stores and partners in mind, we've created a turnkey program that enables easy in-store merchandising. Each utensil layers perfectly in our clear Mason Jars and Handthrown Crocks, creating an eye-catching display.

Store signage is provided to our wholesale customers to streamline the merchandising process and showcase your etúHOME products with professional, styled photography.
